### Medicare Individual Supplement Rates Changing in 2012

Mutual of Omaha Insurance Company filed the rate increases with the New York Department of Financial Services. The Department has the authority to approve, modify or deny the requested increases.

The new rates will not go into effect before the policyholder's coverage anniversary date on or after May 01, 2012. All policyholders will receive the rate adjustment on their next renewal, on or following their anniversary date.

There are 3,688 policyholders affected by the proposed rate adjustment.

Revision in premium rates is due to the rising cost of healthcare and impact of claims experience.
