Medicare Individual Supplement Rates Changing in 2014

Mutual of Omaha Insurance Company filed the rate increases with the New York Department of Financial Services. The Department has the authority to approve, modify or deny the requested increases.

The new rates will not go into effect before the policyholder's coverage anniversary date on or after June 01, 2014. All policyholders will receive the rate adjustment on their next renewal, on or following their anniversary date.

There are approximately 3,700 policyholders affected by the proposed rate adjustment.

Revision in premium rates is due to the rising cost of healthcare and impact of claims experience. The premiums are not adequate to pay for claims and expenses associated with administering the business.

Below are the proposed increases by plan and form.
