- 1) Use this Exhibit for Small Group Medical Plans.
- 2) The format of this exhibit is discussed below. Insert more rows as needed. Only use the first tab for data entry.
- 3) Market segment refers to the Small Group Plans.
- 4) The requested percentage rate change reflects the expected change in premium rates that would apply to the contract holder on that contract holder's next rate change date for each
- 5) The product street name is the product name as advertised to consumers (i.e., as consumers are likely to refer to this product/metal level when communicating with the DFS). A
- 6) The effective date is the earliest date that the proposed new rate would become effective if approved. Effective Dates for Small Groups are 1/1/15, 4/1/15, 7/1/15 and 10/1/15.
- 7) If the percentage change (lowest and highest and weighted average) are identical for all the rating regions, then separate rows by rating region need not be used, and "All Regions"
- 8) The "requested rate change" includes the impact of any riders (such as: age 29, domestic partner, family planning, pediatric dental, etc.).
- 9) Lowest should be the smallest percentage change that could affect any contract holder due to the submitted rate filing with that that rating period, metal level and rating region,
- 10) Highest should be the largest percentage change that could affect any contract holder due to the submitted rate filing with that rating period, metal level and rating region, including
- 11) The weighted average percentage should be developed based on annualized premium volume or membership for that rating period, metal level and rating region, including any
