Re: Notice of Proposed Premium Rate Change

«Plan», HIOS #«HIOS»

Dear «First_Name» «Last_Name»:

Freelancers Health Service Corporation (doing business as Health Republic Insurance of New York) is filing a request with the New York State Department of Financial Services (DFS) to approve a change to your premium rates for 2015. New York Insurance Law requires that we provide a notice to you when we submit requests for premium rate changes to DFS. DFS is required by law to review our requested rate change. DFS may approve, modify or disapprove the requested rate change.

Proposed Premium Rate Change

Your current monthly premium is: «Current_Premium»

If approved, the proposed monthly premium is «Proposed_2015_Premium»

If you enrolled through the NY State of Health, the state's health plan marketplace, and you qualified for financial assistance, called an Advanced Premium Tax Credit, your current premium is less than the amount shown above and your 2015 premium will be less than shown above if you qualify for the APTC again next year. NY State of Health will calculate your eligibility for financial assistance each year.

Please note that while we try to provide you with the most accurate information possible, the final rate may differ based on the benefit plan design and other features you select on renewal. Also, the final, approved rate may differ because DFS may modify the proposed rate.

Why We are Requesting a Rate Change

Health Republic Insurance of New York is committed to providing low-cost, high-quality health coverage and is proud to be among the most affordable options for individual New Yorkers and small businesses across the state. Health Republic launched in 2014 as New York's only not-for-profit Consumer Operated and Oriented Plan, or CO-OP, in the midst of a transformative year in healthcare, with improved access to coverage for people across the state.

In 2014, other health plans in your area were on average 24% higher than Health Republic. As a member-run, not-for-profit plan, we want coverage for our members to be as affordable as possible, but we must be sustainable. It is necessary for us to seek a rate increase in 2015 due to increasing medical costs, declining federal support, and to ensure our organization achieves long-term sustainability as New York's only not-for-profit CO-OP. Even with the proposed increase, Health Republic is confident that it will be among the most affordable options for individual New Yorkers and small businesses in 2015 and for many years to come.
