# NY OFF-EXCHANGE BASE PROGRAM

## GENERAL PROVISIONS

- All groups must meet MVP's eligibility and participation requirement.
- Large group commissions will be paid according to the Schedule unless negotiated.
- Once the annual premiums accumulated for all large group medical products (EPO/PPO, HDHP, HMO/POS) combined reach \$1 million for the calendar year, the commissions will drop to the lower payout amount the first of the next month.
- Any group with annualized premium over \$30 million will pay at \$5.00 per contract per month from first dollar.
- Brokers are paid commission based on the amount of monthly premium paid by each of the broker's group/individual/family contracts.
- Commissions are paid monthly, with the exception of the Bonus Program.
- Negotiated commissions (EPO/PPO, HDHP products only) can range from 0-8% of paid premium. The in-force Broker of Record (BOR) sets the commission rate for the contract year for renewals. For new MVP business, the first broker to quote sets the commission rate for the initial contract year.
- MVP reserves the right, in its sole discretion, to alter or void the compensation programs at any time in response to issues and conditions that affect the corporation, business, marketplace or economy. Entitlement to commission and bonuses is subject to terms and conditions contained in the Broker Agreement. MVP reserves the right to make the final determination of eligibility for case (group/member) credit, premium credit and commission/bonus payments. The forgoing commission rates may be changed at MVP's option on thirty (30) days notice to brokers.
